HARD SURFACE CLEANERS

CLEARVIEW (READY TO USE)

851 Progress Court Oakville, Ontario L6J 5A8
905-847-3000 Fax 905-847-1675

Clearview (RTU) is a powerful heavy-duty, non-ammoniated, ready-to-use cleaner for glass and glazed surfaces. This blue liquid, non-aerosol, non-streaking glass cleaner contains a water soluble solvent and surfactant system which allows it to clean as easily outside as inside, in hot or cold weather, quickly loosening dirt, soot and road film.

CLEARVIEW (RTU) dries fast, leaving neither streaks nor film.

FEATURES

- Contains a water-soluble solvent and surfactants.
- Controlled evaporation.
- Water-soluble solvent.
- Contains no acid, ammonia, alkaline salts or harsh abrasive agents.
- Balanced formula.
- Ready to use non-aerosol formula.

ADVANTAGES

- Penetrates rapidly; removes film caused by smoke, weather and dirt as well as fingerprints and oily stains.
- Works well indoors and outdoors, in hot and cold temperatures.
- Used in non-aerosol trigger spray bottle.
- Will not scratch surfaces or damage vinyl, plastic, fabric or most paints.
- Non-streaking.
- Spray and wipe application.

BENEFITS

- Fast and effective ready to use cleaner.
- Saves time - no diluting necessary.
- One product meets all your year-round glass-cleaning needs.
- Safer and more economical to use than aerosol glass cleaners.
- Safe to use.
- Better results
- Quick and easy to use.

DIRECTIONS FOR USE

Spray on **Clearview (RTU)**, holding the sprayer about one foot away from the surface - and polish off promptly with a clean, lintless cloth. Do not spray too large of an area at one time.

Where no sprayer is available, use a cloth dampened with Clearview, and polish off with a clean, dry cloth.

On very dirty areas, two applications may be necessary. Use two cloths or papers; one to wipe off the material, and a clean one to polish the glass.

NOTE: Painted, varnished or lacquered surfaces may spot if allowed to remain wet. Wipe off immediately.

TYPICAL PROPERTIES*

Appearance.....	Blue liquid, slight lemon fragrance
Nonvolatile content.....	None
Specific gravity @ 20°C.....	0.995-1.01
Flash point, TCC.....	None
Evaporation rate.....	Faster than water
Effect on surfaces.....	Will not scratch or mar glass or similar surfaces
Grease and oily film solvency.....	Excellent
VOC% (EPA METHOD 24).....	2.0

*These values represent typical properties only and are not to be construed as manufacturing specifications.
