The Feast of Shavuot

Shavuot is the third Holy feast day of Yahweh's Master Plan. It is also called **Feast of the First Fruits**, **Pentecost** or the **Feast of Weeks**. No work is to be done on this day. It is a Shabbat and a Holy gathering of His people.

When is Shavuot observed?...

It is the only Holy Day that a specific day of the month is not given on the Hebrew calendar. Instead, scripture says to **count 50 days** from the first day of the week after the weekly Sabbath during the Feast of Unleavened Bread.

What is the purpose of this Holy Feast Day?

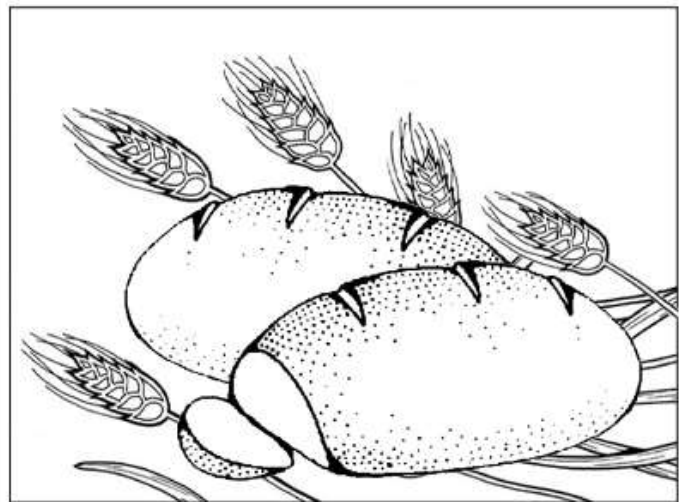

Well, in the old covenant, after the Israelites first fruit offering was accepted, they would take the offering and bake two loaves of bread with leavening to present to the priests on the day of Shavuot. This would be a first food offering to Yahweh.

It is also believed that Yahweh, through Moses, gave the Torah to the Israelites in the Wilderness at Mount Sinai on the day of Shavuot!

Now, in the new covenant, **Yahshua had Yahweh's Spirit and He was the First of the first fruits to Yahweh**. Yahshua promised His disciples a Helper. So, on the day of Shavuot, Yahweh gave the Holy Spirit to the disciples to strengthen them as first fruits to do His work!

And in the fulfilling of the day of Shavuot, they were all with one mind in the same place. And suddenly a sound came out of the heaven, as a groaning spirit along by a violent wind! And it filled the entire house where they were sitting. And tongues as a fire appeared to them, being distributed, and it sat on each one of them. And they were all filled of the Holy Spirit, and began to speak in other languages, as the Spirit gave ability to them to speak.

The Lost Sheep of the House of Israel

Logic Puzzle

Each disciple was sent out to a different country to bear fruit for Yahweh's soon coming kingdom, using the gift that His spirit had blessed them with. Yahshua also told us to not go out alone, but in twos. **From the clues below using Nicaragua as the starting point, can you figure out what gift each disciple had, which country they were sent to and who they brought with them.**

1. The disciple who had the gift of teaching, traveled further east than Ronald, but not as far as the disciple who brought Asher along.

2. Timothy had the gift of knowledge, but didn't travel to India.

3. The disciple who had the gift of prophecy traveled to Brazil.

4. The disciple who brought Barnabas along, had the gift of healing.

5. Stephen accompanied by Daniel, didn't have the gift of languages.

6. The disciple who traveled the furthest east from Nicaragua brought Ezra with him.

7. Michael didn't travel as far as Jesse or bring Jason along with him.

Solution – Fruit or Gift

Solution – The Lost Sheep of the House of Israel

The disciple who went to the Philippines brought Ezra with him (clue 6).

The disciple who brought Asher along, couldn't have gone to Nicaragua as he traveled further, nor did he have the gift of teaching or Ronald (clue 1).

The disciple who had the gift of teaching is not Ronald nor did he bring Asher. He traveled further east than Ronald, so he couldn't have gone to Nicaragua. He also didn't travel the furthest, so couldn't have gone to the Philippines (clue 1). The disciple who traveled to Brazil had the gift of prophecy, so he couldn't have gone to Brazil either (clue 3).

The disciple who brought Asher, traveled further than the disciple who had the gift of teaching, so he must've traveled to India and the disciple with the gift of teaching went to Ethiopia.

Ronald not traveling as far as the disciple with the gift of teaching must've gone to Brazil and had the gift of prophecy. Neither did he bring Barnabas because the disciple with him had the gift of healing (clue 4).

Stephen brought Daniel (clue 5).

Ronald can't be the disciple who brought Ezra with him who went to the Philippines and therefore must have brought Jason with him.

The prophet who brought Barnabas had the gift of healing so couldn't have went to Brazil because Ronald with Jason, traveled there. The prophet with the gift of teaching went to Ethiopia, therefore he must've went to Nicaragua.

Stephen brought Daniel with him and couldn't have traveled to Brazil as Ronald went there, therefore he went to Ethiopia and the disciple who brought Jason went to Brazil. Since he traveled to Ethiopia he must've had the gift of teaching.

The disciple who brought Barnabas along can't be Timothy because he had the gift of knowledge and the disciple with Barnabas had the gift of healing (clue 2). He can't be Jesse who went further than Michael (clue 7) as the disciple who brought Barnabas went to Nicaragua and therefore went the shortest distance. Therefore he must've been Michael.

Timothy didn't go to India (clue 2). The disciple with Asher went to India, so he must've brought Ezra with him and went to the Philippines.

By elimination Jesse must've brought Asher with him and had the gift of Languages.
