The Simon & Garfunkel Story is touring North America this year! Using state of the art projection photos and original film footage, featuring a full live band performing all the hits including 'Mrs. Robinson', 'Cecilia', 'Bridge Over Troubled Water', 'Homeward Bound' and many more! **"Fantastic" – Elaine Paige, BBC Radio and "Authentic and Exciting" – The Stage**

The immersive concert-style theater show **chronicles the amazing journey shared by the folk-rock duo, Paul Simon and Art Garfunkel.** It tells the **story from their humble beginnings as Tom & Jerry to their incredible success as one of the best-selling music groups** of the '60's to their dramatic split in 1970. It **culminates with the famous "The Concert in Central Park"** reunion in 1981 with more than half a million fans in attendance.

With more than 100 million album sales since 1965, Simon & Garfunkel's perfect harmonies and songs that poignantly captured the times made them one of the most successful folk-rock duos of all time. Over the years, they 10 Grammy Awards and were inducted into the Rock and Roll Hall of Fame in 1990. In 1977, their "Bridge Over Troubled Water" album was nominated at the Brit Awards for Best International Album.
