## **Global Insurance Partners, LLC changes name to HCH Advisors, LLC and adds partners.**

Don Cronin and Patrick Haughey have joined John Hines, founder of Global Insurance Partners, LLC. as partners to form HCH Advisors. This combination creates a strong team of seasoned insurance executives to provide strategic consulting services to small and mid-sized P&C insurance organizations. The group will focus on providing real world solutions to profitability challenges on a nationwide basis. Additionally, HCH Advisors will use its in-depth knowledge and experience in the Florida property insurance market to work with companies facing the unique issues presented by that market.

“Don and Patrick each bring a wealth of knowledge and experience to our service offerings. Both have grown companies from an early stage while sustaining long term profitability. Our team is well rounded with Don having previously been President and CEO at United Insurance Holdings, in Florida and Patrick having been the senior officer for UPMC’s commercial workers compensation business. I am very excited to be partnering with professionals of this caliber”, said John Hines.
