

## May Newsletter 2021

Dear Parents,

Well, Spring is finally here! The spirit of Spring is definitely in the air and our classroom is bursting with excitement! The children have been busy watching their Scarlet Runner Bean seeds, Green Bean and Wax Bean seeds and Sunflower seeds as they germinate and grow into plants! The children were also fascinated with our unit on the Farm last month! We sang songs and danced to music about the animals and the busy job of living on the farm! Maybe you have heard them singing about "Driving my tractor down a bumpy road!" That is one of their favourites!

This month we will be talking about Spring, planting and insects! Spring is a time of new life and re-growth. We will also talk about the sun and how it helps things grow. Soon we will be talking about the fascinating world of insects. The toddlers have spotted ants,

bugs, spiders and even a butterfly outside!

**May 24<sup>th</sup>- Monday -**  
School closed for Victoria Day

### Happy Birthday!

Happy Birthday to  
Amelie! She will be 2  
on May 20th!

A friendly reminder that school will be closed on  
**Monday, May 24<sup>th</sup> for Victoria Day.**

### Sunscreen Reminder

Now that we are experiencing warmer weather, **we remind you to send a hat with your** child as the toddlers do love spending time outdoors in our back play space! Thank you for sending sunscreen to keep at school. It also helps us if your child has sunscreen applied when they arrive as we head outside shortly after 9:30 am. Kindly label your child's hat and sunscreen with your toddler's name. And please include extra clothes for your toddler! We will enjoy outdoor fun with our water table soon!

The children are fascinated with our worm farm! We check it each day and watch the worms!

Have a great month!

Lin and Daniela!
