Welcome Ilene Bandringa! *New Chair for the Arrowhead Gallery*

For those of you who don't already know me, here's a little info. My husband, Cliff, and I moved to Hurricane about 5 years ago from Southern California. We love to travel, explore the backcountry roads and go hiking. Photographing Nature is my passion so being in Southern Utah is a little bit of heaven for me!

Most of my work life was in an office environment but now I'm a mostly-retired technical writer. I'm looking forward to being part of Arrowhead Gallery's future!

Arrowhead Gallery February Featured Artist **Lisa Huber** Artist Reception Friday, Feb. 4, 6-8 PM

Lisa is an experimental artist working mostly in Watercolor and Oil—but also pastel, charcoal, and gouache. Her pieces are nostalgic and incorporate texture experimentation as well as oil into her watercolor pieces. She studied with Osral Allred, a master of rural imagery and watercolor experimentation. She learned to let the medium flow naturally and to follow where it leads. Her sense of pure abundant color is also incorporated into many of her pieces, both in watercolor and

oil. She hopes that her artwork draws the viewer in by its color, texture and innovation.
