

Hello Everyone! September 2020 Update

Here are a few guidelines for our "New Normal" and way of doing business for now!

Please read and follow

- 1) Please wait in your vehicle or outside until your appointment time. There will be no waiting area.
- 2) At this time only one client per esthetician, no large groups or friends allowed to stay and visit, at this time.
- 3) Clients must WEAR a Mask for their entire service. We will also be wearing masks and sometime face shields. If you forget your mask or don't have one, we have some available.
- 4) Clients must upon entering the Spa sanitize their hands. We will have a small table set up for this upon entry.
- 5) No magazines or drinks will be offered during your service.
- 6) If you or anyone you are around is sick, please rebook!
- 7) Retail products still available for pickup or delivery. Please when you are in the Spa do not touch retail products or nail polishes. We will assist you.
- 8) We will be cleaning and disinfecting EVERYTHING between clients, as well as offsetting start times for Ireland and Allison.
- 9) We are currently offering all services! With appropriate PPE for them as required.

Thank you!!

The Team at New Energy Wellness Spa
