## Last Week's Run Report

**Run No; 708 Hare; Immobilize Her**  
**Run Setter; Rusty Nuts**  
**Location; Webber Reserve Willagee**

Every Which Way ....or ...Give Her A Name !

After a bit of manoeuvring to get to the start of this week's run, we managed to settle on a spot that suited the Hare ! Much mirth and laughter ... as always at Freo Hash ! Once the circle was called and run instructions given (runners, walkers & meanderers ...sounding familiar ???) we charged off at the rate of knots (if only in boats ...!) Alright for runners, but for walkers, as there was no formal trail, it was a bit of a challenge that was taken on with gusto by Horny Flasher. Living up to her name, she directed us up hill and down dale, on a wonderful flashing trail that actually met up with the runners every now and then. It must have been a sign eh ? ... By all accounts the runners had little trouble keeping on the well marked trail.

The drinks stop was EXTREMELY well marked by the co-Hare but, alas !, there were a few Hashers who managed to almost bypass the stop....sheer madness (or thrill at being almost home !) Anyway, it was a good stop, long on drinks but short on biscuits ! He He !

Back at the start, we were noshed-up before the circle as the food was ready. Then with full bellies we moved on to the proceedings ... this involved the usual administering of points (well done ..around 9 out of 10) and welcoming virgins ... and visitors ..then the \*stand-in\* RA (who, I think, did a pretty good job at short notice !) proceeded to throw a few charges around, with the assistance of half the circle ! ... Then came the HIGHLIGHT of the night ...a naming ... ??? Now, there had been much background work/emails going on for the past few weeks so this decision had been thought through long and hard. After a torrent of names and suggestions ...HELLVINO ..... was the chosen handle for the newest Freo Hasher. With all the pomp and ceremony that the RA could muster (8 foot stick and mumblings about Gisbert ) the deed was done !

Congratulations to Hellvino. Sadly, the RA learnt later that she actually liked the name ..... (Serious F A I L... No-one is supposed to particularly like their name) Then the song was sung with gusto by our baritone specialist Franga ... and no-one could keep up with him !

So endeth another great Freo Hash night ....

On On

Pink Bits x

**See here for where to go.....For this week's run, that is.**
