

## THE BRAN HOUSE

### EXECUTIVE ORDER 0006

---

#### CREATION OF THE DRACUL ASTRONOMY RESEARCH ASSOCIATION

*By virtue of the authority vested in me, by the Constitution of the Commonwealth of Dracul of 2017, it is hereby ordered as follows:*

Many nations have participated in the space race and research into our beloved solar system, which we call home. The education and study of such home is critical to understanding how we came to be. It is in this respect that we establish DARA to accomplish such mission.

DARA will be both a government and civilian association, aimed at the task of research into the solar system. The use of instruments, such as telescopes and papers from NASA will assist in the continued education of space, in the micronational community.

Micronations outside of Dracul are encouraged to participate in this association and no treaties or contracts will be required to do so. Information gathered by each micronation participating in DARA will be stored into a database, which can be accessed for educational purposes.

*Authorized and directed to publish this memorandum in the National Register.*
