

Fresh and Fruity 2020 Challenge

This year Peninsula Piecemakers Quilt Guild is celebrating it's 35th anniversary. We hope that all of our quilters will participate in the challenge.

Theme: Fresh and Fruity

Due date: November 10, 2020

Criteria:

This challenge will be table runners and table toppers only. The width of the project must not exceed 24 inches.

The quilt must have either a coral fabric (traditional anniversary gift) or jade fabric (modern anniversary gift) incorporated somewhere in the project. You may use both if you desire.

The quilt must have a “fruit” of some kind. Similar to the 2019 challenge, this can be any design element in the project. For example: a fruit printed on one of the fabrics used, a fruit in the name of the pattern/block, a fruit design in your quilting, any kind of embellishment, etc. Get creative!

The quilt must have a sleeve and label. A write up of your project is due in October and will be displayed at the November meeting to be voted on.
