## 2014 Recap

2014 was a great year Beta Psi! It was our 65th Year & a year we will look back on as a "New Birth" for our Chapter! We doubled our **Lifetime Members to 41** & had OVER **140 Active Dues Paying Alumni**. We made a commitment to begin work on reactivating Beta Psi & to work on a financial plan for a New TKE House for the Chapter.

Our 65th Anniversary Event will certainly be remembered as the catalyst for Big Change & many reconnections with old-time fraters.

We hope to have the Regional Socials back in 2015 with potential new ones for Dallas, Atlanta & St Louis areas.

We saw a good mix of participation, leadership, financial & logistical support from fraters from #70 to #1351! **THIS is the KEY to our success!**

## Plans for our New TKE House

This is going to be a crucial year for our future. Our House Committee has devised a plan to recruit 100 Alumni to raise \$100,000 by the end of 2015 as phase 1 for our future house plans. As of Jan, we already have over \$30,000 pledged (with much already in house & at TKE National) We are focusing on \$500 to \$1,000 donations which can be paid in full or via payments. WHERE DO YOU FIT IN THIS PLAN? Keep up to date & get more information on the TKE HOUSE page on our website.

We plan to host another rollout (like the initial meeting at Homecoming) in Jboro at Front Page Café , **Monday 2/9 at 6:30pm** & Little Rock, TBD in February. We'll keep you posted via email & the website.

## Destin Deep-Sea Fishing Trip for early May

Make plans to join **us May 1-3 in Destin, FL**, for our Alumni Deep-Sea Fishing Trip. See the special page on our website for all the details. We'll go out on Sat 5/1 for an enjoyable day for \$85. (Includes bait, tackle, etc).

We hope this will give GA, FL, AL & LA fraters a better opportunity to be involved!
