number 5

A WORD

Hey there,

I'm happy to finally put issue 5 out. I've been sitting on this finished book for a while. As I write this I'm putting the finishing touches on the next issue, GIANT SIZED JIMI THE JOINT #1. I'm going to put them out together and I will be taking a hiatus from making more Jimi the Joint books. The next issue will wrap things up for the time being. Making comics is a labor of love, I wish I could do this all day, maybe the book would look better if I did (Probably not). Thanks for reading or looking at my shitty drawings.
