March 22nd & 29th @7PM

We invite you to a virtual town hall with state, local, and community leaders. We will be discussing the barriers to civic engagement with those impacted by homelessness and incarceration. Register with the Q&R code.

DAY 1

DAY 2

What is Civic education?

Civics is the study of the rights and obligations of citizens in society. The term derives from the Latin word civics, meaning “relating to a citizen”, which derives from the Latin word civic, meaning “citizen”. The term relates to behavior affecting other citizens, particularly in the context of urban development.

What is Civic participation?

Civic engagement or civic participation is any individual or group activity addressing issues of public concern. Civic engagement includes communities working together or individuals working alone in both political and non-political actions to protect public values or make a change in a community.
