# INVACARE BIRDIE EVO LIFTER

- The Birdie EVO has been designed to offer a high feature-set of options that have been blended with new technologies to provide maximum comfort and security when lifting or transferring a patient to or from a bed, chair or even the floor.
- The BirdieEVO encompasses an ergonomic lift that allows the client to be easily rotated 360°, making positioning much easier for the carer and reducing anxiety for the client.
- The high boom ensures there is space for the client, even when the hoist is in its highest position, and the optimised space in front of the actuator reduces the risk of injury to the client's knees.
- Slings and Accessories are sold separately.

**Warranty**  
1 Year
