

PRESS RELEASE

5-3-20

The Constitutional Sheriffs and Peace Officers Association is sending a Proclamation to over three thousand County Sheriffs.

The County Sheriff is the Last and Best Hope to Restore the Republic.

In point of fact, no governor, in any state, has the authority to suspend the Constitution. And no pretended “Emergency Powers” legislation can give it to him because the legislature cannot give the Governor an authority that they, themselves, do not have.

And any attempt for a Governor to suspend Constitutional rights is an act of lawlessness and a violation of his/her oath of office. When Law Enforcement Officers take an oath of office they swear obedience and fidelity to the Constitution.

Moreover, their duty requires that they resist such edicts and orders and that they act in such a manner as to shelter and protect the citizenry from all acts of lawlessness, even and especially when they originate from civil authorities.

Sheriff Richard Mack, Founder of the CSPOA is available for interviews.
