## INTRODUCTION

Here's a great new game for students who want to have fun while learning the Bible: Bible BINGO! BINGO suddenly becomes a game of strategy, where the stories of the Bible come clear to players through the heroes and verses included. Increase Sunday school classroom learning. Provide added fun to potluck dinners and private parties. Raise funds. Bible BINGO is a great way to accomplish all of this and more!

All players will be exposed to 75 of the most important names in our Bible. They will also be exposed to the most popular Scriptures taken from the "100 Most Surfing-For Bible Verses of 2015" on BibleGateway.com. Bible Gateway is one of the most highly trafficked Bible research sites online.

### WHAT'S INCLUDED IN THIS PACKAGE

This BINGO package includes everything to make the game easy as well as interesting. You get

- Two games of BINGO
  - Bible Names BINGO
  - Fill-In-The-Blanks Scripture BINGO
- 30 BINGO Cards for each game
- Two Sets of Call Cards
- One set of Printable Blackout Boxes (otherwise known as "chips")
- One set of Trivia Points Pieces
- Bible Trivia Champion Ribbons

### EASY INSTRUCTIONS

Our instructions make the game easy to follow. You simply follow the rules for downloading the printable pages and cut out the pieces. You'll also find easy rules for the game, plus great ideas for tournaments and other entertainment and fund-raising events.

## HOW THE GAME WORKS

The Bible BINGO cards resemble regular BINGO cards, with the five columns and five rows. However, instead of numbers you will see one- or two-word answers. You will see familiar names in our Bible Names BINGO, and one or two-word phrases in Fill-In-The-Blanks Scripture BINGO. Players earn trivia points while covering the called answers on their BINGO cards until somebody shouts the winning word. (*BINGO!*)

One of the great qualities of this game is how players don't have to be Bible scholars to win. Yet they will learn things at an incredible pace! Watch as they discuss and seek answers collectively, and you'll see them introduced to a new Bible fact two or three times a minute! A trivia winner and a BINGO winner in each game make it fun for all.

This can be a great gift from teachers to students or from parents to kids. With its ease and flexibility, you and yours will enjoy hours of relaxing fun learning Bible names and verses with Bible BINGO.

# INSTRUCTIONS

Welcome to Bible BINGO, a great way to learn about important people in your Bible as well as famous Scriptures! It is a flexible game with several levels of play strategy as well as multiple uses!

## GREAT IDEAS FOR USE OF THIS GAME:

- To increase learning in the classroom, have the students play at the level you deem most helpful. Create a tournament! Students with the most Trivia Point Pieces can challenge each other to the next higher level of play.
- For adult entertainment, have people play at your next potluck dinner.
- For fundraising, have a BINGO night at your church. Provide food and beverages (at a cost) and charge \$1-5 per card, depending on your area and level of support. Winners should receive as a prize valued at double the cost of a card.

## MATERIALS

- 30 BINGO Cards for each game; two games included
  - Bible Names BINGO
  - Fill-In-The-Blanks Scripture BINGO
- Two Sets of Call Cards
- One set of Printable Blackout Boxes (otherwise known as “chips”)
- One set of Trivia Points Pieces
- Bible Trivia Champion Ribbons

## OBJECTIVE

Be one of the two winners of each game. Be the first to achieve BINGO, and/or collect the most Trivia Point Pieces at the game’s end.

## PREPARATION

Preparing your game is easy. After you have downloaded and printed, you only need to cut out the pieces with scissors.

1. Locate the BINGO cards. They come two to a printed sheet and will need to be cut with scissors.
2. Locate the Call Sheets (with all the questions and answers). Cut the sheets at the dotted lines so the questions are on separate cards, called Call Cards. Decide which game you want to use: Bible Names or Fill-in-the-Blank Scripture Game. Put the Call Cards for that game in a basket or jar and put the others in a Ziploc bag. *Do not mix the two sets of Call Cards together.*
3. Locate the set of Printable Blackout Boxes. Each player will need at least 15 little boxes for each card they are playing. Be sure you have printed enough. Cut them out with scissors and store them in a Ziploc bag.
4. Locate the Trivia Champion Ribbons. Cut out one for your winner (or more if you are playing more than one round).
5. (If you have more than 30 players, feel free to duplicate any of the cards. *Just understand that two people may hit BINGO simultaneously.*)
6. Locate the Trivia Points Pieces. Cut all 75 into individual little squares. Store them in a Ziploc bag.
7. Read through the Instructions and Levels of Play section and be certain which level you will be using before starting.

## INSTRUCTIONS FOR PLAY

1. Give each player his or her own BINGO card, plus a handful of the blackout boxes. If you have a few players, they may each take several cards and additional blackout boxes.
2. Place the Trivia Point Pieces in a pile in the middle of the table.
3. Place the cut-up Call Cards in the large jar or basket beside you.
4. Once players have their BINGO cards lined up, you can begin calling (pulling trivia questions out of the jar and reading them).
5. Students can guess the answers by raising their hands and being called upon. The first student to raise his hand gets to answer first. If he misses, others wanting to try should raise their hands again. And so forth.
6. Players should use their cards for hints. (For example, if you are using the Bible Names round, and the question reveals that the Bible name is a woman's, students can peruse the women's names on their cards to help them make guesses.)
7. You should always verify the answer with "correct" or "incorrect" once you hear it.

8. When a student's answer is correct, he gets one Trivia Point Piece. If he is incorrect, he has to put one of his Trivia Point Pieces back in the center of the table. If he has no Trivia Point Pieces when he makes an incorrect answer, there is no penalty.
9. Students who have that answer on their card should then cover it with a blackout box.
10. When you finish with each of the Call Cards, place them on the table in alphabetical order by answer for easy reference, either to check a BINGO or answer a question as to what has been played.
11. Repeat steps 4 through 10 until somebody has a BINGO.
12. BINGO is achieved when a player has five Blackout Boxes in sequence. A sequence can be a completely covered row, column, or diagonal.
13. When BINGO is achieved, the player should shout "Bingo!"
14. The prospective winner's answers should be checked against the answers pulled from the jar. If he hasn't made an error, he is announced the first winner.
15. After the first winner is announced, students should count their trivia point pieces. The person with the most pieces is the second winner.
16. The second winner should receive a Bible Champion ribbon.

## THE THREE SKILL LEVELS AND RULES OF PLAY

There are three skill levels involved in both Bible BINGO games provided. They have to do with the amount of information provided on the question cards. The higher the level, the *less* information you provide, as follows.

On the question cards, you will see four (4) pieces of information:

**For Bible Names BINGO:** (1) The question, (2) the answer; (3) the column in which the answer can be found (4) the Scripture reference that goes with that Bible character's story.

**For the Fill-in-the-Blanks Scripture BINGO:** (1) The Scripture verse up until the blank, (2) the Scripture chapter and verse, and (3) the column in which the answer can be found, and (4) the answer.

**For the Beginner Level:** Read *all* parts on the call card except the answer. By naming the column in which the answer can be found, players can narrow down the answer in the same way traditional bingo players eliminate columns by knowing the range of numbers allowed in each.

By naming the Scripture reference in Bible Names BINGO, players can eliminate names if they are slightly familiar with the stories and Bible chronology. As for the Fill-in-the-Blank Scripture BINGO, if you allow electronic lookups, players can find the actual Scripture. While their version may not make the Scripture read exactly like ours (depending on the Bible translation used), they can make a selection based on reasoning.

**For the Intermediate Level:** Just read *two* pieces of information.

For Bible Names BINGO, read just (1) the question and (2) the Scripture reference, skipping the column where the information is located.

For Fill-In-The-Blank BINGO, read just (1) the Scripture with the blank in it, plus (2) the Scripture chapter and verse, skipping the column where the information is located.

The increasing difficulty is that students will have to peruse their whole card or cards to find the answer.

**For the Advanced Level:** Read just the question per Bible Names BINGO or the Scripture with the blank in it per Fill-In-The-Blank BINGO. This level is for adults or kids who really know their Bible! Great for the finals of tournaments!

## TOURNAMENT RULES AND IDEAS

If you want to get a lot of church members playing — say, for a fundraiser — the following rules and ideas can be helpful:

1. **Select trivia players.** It works best to select three to five people who will compete in front of the players for Bible trivia. They may also have BINGO cards, but their job will be to guess the answers aloud and in order. Essentially, you will have two games going at once: a trivia contest among your church's Bible champs, and Bingo among parishioners who don't know the Bible that well.
2. **To select the people for Bible trivia:** It's great if you can get youth leaders, Sunday school teachers, Bible BINGO champions from youth group, and/or simple Bible enthusiasts among parishioners. (*Note: It is unlikely you will get your pastor, as pastors fear showing any lack of Bible acumen, but it doesn't hurt to ask if he/she is a really great sport!*)
3. **Parishioners can volunteer to sponsor each trivia player**, or parishioners can be asked to pay \$1 per guess as to which player will win.
4. **Parishioners should pay for their BINGO cards, as in traditional bingo.** You can charge \$1-\$5 per card, depending on your location and level of support.
5. **For play, follow all the previously stated rules for Bible BINGO.** However, the trivia questions must be (1) answered correctly by one of the head trivia players and (2) confirmed by the caller before the parishioners can cover that answer on their BINGO cards.
6. **How to use trivia players:** When the caller pulls a question from the jar, he should call on the trivia players in order, giving each a turn. If a trivia player guesses the correct answer, he should get a Trivia Point Piece. If his guess is incorrect, he loses a point piece, and the next player may try to answer. If none of the trivia players gets the answer correctly, the caller will announce it to the parishioners, who can then cover it on their BINGO sheet(s).
7. **To include the parishioners in the trivia contest,** the trivia players may exercise options to call on them for help. If a player doesn't know the answer he can say, "audience help requested." The caller, not the player, will decide on the audience member to an-

swer. It should be someone with a hand raised, indicating he would like to try, and someone who has not recently been called on. If the parishioner guesses the right answer, the Trivia Point Piece goes to the player. If the parishioner guesses wrongly, the player loses a Trivia Point Piece.

8. **Include prizes and calculate your BINGO payoffs** before predicting profits from your fundraiser. Prizes can be anything from baked goods to donated items, like door prizes for trivia players. But also calculate in that winners of BINGO among your parishioners get cash. If cash awards are not allowed in your area, other prizes will do.
