

THE CATALYST GROUP LIMITED

On the behalf of our client, A. Outerbridge, Paget, Bermuda, we seek a:
Live In Child Caregiver / Housekeeper
 Holding at least 5-7 years' experience in a similar sole charge role and / or formal caregiver credentials the Child Caregiver / Housekeeper (CCGH) will provide care and housekeeping support to a busy professional household of 4, with specific responsibility for the care of a toddler and a newborn baby. As time permits, duties will extend to include light residential housekeeping / cleaning, laundry, ironing, and meal preparation. The CCGH must be mature and responsible, fully First Aid / CPR certified and able to support a loving, comfortable and nurturing environment. The ideal candidate is a discrete, nonsmoking female, who is comfortable with dogs, is a competent swimmer and holds a Bermuda driver's license with impeccable references. And she must be able to manage a flexible 40 - 50 hour work week which will occasionally extend to include evenings and some weekends; with some short term "live in" requirements with the ability to freely travel given the lifestyle requirements of the family. Subject to robust drug and police screening.

On the behalf of our client, Horsfield Landscape & Design Limited, we seek a:
Landscaper / Hardscape Gardener
 Holding at least 5 years of progressive experience and at least 2 professional references, applicants must have ability to identify different grasses, plants and shrubs along with knowledge of weed and insect control. Must be able to install pavers and stepping stones, brick driveways & floors, low walls, sidewalks, exterior fireplace design, and complete other projects associated with both indoor and outdoor decoration. Must have good working knowledge of standard landscaping equipment and able to effect minor repairs.

On the behalf of our client, Added Speed & Accessories, we seek a:
Motorcycle Mechanic
 Holding recognised industry credentials and / or at least 3-4 years of progressive shop experience as a Motorcycle Mechanic, the MM will support the repair and maintenance requirements of a diversified service portfolio. The Mechanic must be able quickly troubleshoot performance issues, must be comfortable with diagnostic software and equipment, must be able to expertly deconstruct, condition and re-construct component parts, resolve both electrical and mechanic issues with an exceptional commitment to work quality. The mechanic must be resourceful and able to research and resolve issues using relevant online platforms and user / manufacturer manuals.

On the behalf of our clients, Fresh Start Construction Limited • Millwood Construction & Maintenance • Crisson Construction Limited • Rightway Construction & Maintenance • Heart & Soul Construction Limited • Atlantic Construction Limited • Bermuda Built Construction Limited • Ocean Interiors Ltd., we seek: Masons

Both residential and commercial applications. Must be physically fit with own transportation, able to support the training of junior mechanics. Candidates holding some form of carpentry skill and a heavy truck license will be favorably considered.

On the behalf of our client, Doors Plus Bermuda, we seek a:

Shop / Finish Carpenter & Cabinetmaker

Holding at least 7 years of direct experience, we see a master level Finish / Shop Carpenter with extreme comfort in senior level finish / shop / millwork/carpentry. To repair / create wooden elements of a building such as doors, staircases, structural beams, doors, frames and windows, with specialist cabinetmaker skill. Of industrial and high end commercial quality. To assume senior responsibility for projects to include pricing and materials procurement, liaison with clients, vendors and subs. Must be commercially aware and able to work well within a multicultural work environment with good communication skills.

On the behalf of our clients, Bermuda Custom Carpentry • Leo B. Seymour Construction Limited, we seek: Drywall Installer / Finisher (s)
 Holding at least 5 years of specific drywall experience and 8+ years of broader carpentry experience, the Drywall Installer / Finisher will carry out the installation of drywall panels on interior wall and ceiling surfaces of residential, commercial and industrial buildings. Must be able to read plans and blueprints and able to frame, install and trim using measurement and cutting tools; fasten wallboard or sheetrock in to position using power tools and / or adhesives; install insulation materials where appropriate. Must be able to direct a small team and facilitate the training of junior drywall tradesmen.

On the behalf of our client, Bermuda Built Construction Limited • Atlantic Construction Limited • Rightway Construction & Maintenance, we seek: Mason / Tiler(s)

Must be an exceptionally skilled Mason (with 7+ years of progressive relevant experience) with particular demonstrable skill and expertise in tiling and floor installation. Must be able to read plans, measure, make and lay out work with precision, prepare wall and floor surfaces, fill holes and cracks, use modern tile patterns, be skilled in the use of tile cutting equipment, apply grout and generally work at a very high level.

On the behalf of our client, Scooter Mart Ltd., we seek a:

Senior Motorcycle Mechanic

Holding recognised industry credentials and / or at least 6-8 years of progressive shop experience (post apprentice) as a Motorcycle Mechanic, the SMM will support the repair and maintenance requirements of a diversified service portfolio. The Mechanic must be able quickly troubleshoot performance issues, must be comfortable with diagnostic software and equipment, must be able to expertly deconstruct, condition and re-construct component parts, resolve both electrical and mechanic issues with an exceptional commitment to work quality. The mechanic must be resourceful and able to research and resolve issues using relevant online platforms and user / manufacturer manuals.

On the behalf of our client, Precision LMT Limited, we seek a:

Metal Machinist / Fabricator

Applicants must have 10 years working experience in this field with supporting references. Must have a wide range of knowledge fabricating various metal parts for machinery, trucks, equipment boats etc. All applicants must be highly motivated and possess a strong work ethic. Drug testing will be carried out on all applicants to ensure a safe, drug free environment. Due to the sensitive nature of the business, applicants must have a clean criminal record.

Experienced, physically fit applicants are invited to submit a resume, and 2 professional references, copy of passport, copies of all qualifications and certificates, to: resumes@catalystbm.com. Shortlisted candidates will be drug tested and police screened. Closing date: 13 August 2022.
