

2022 FORGIVENESS, POPULATION HEALTH & EQUITY CONFERENCE

OBJECTIVES

1. Discuss the impact of forgiveness and its impact on the American workforce and our communities.
2. Outline steps to take in a pandemic era to manage mental, physical, spiritual, and other facets of health.
3. Describe the influence of forgiveness in building resilience and peace in a Post-Pandemic-Era.
4. Articulate the need for healthy eating, money management, drawing closer to God, social connectedness, etc. in this Post Pandemic-Era.
5. Share the need for enhancing efforts to improve health equity, resilience, forgiveness, and peace in a Post Pandemic Era.
