Longing to Belong

Soul yearns for attachment, for variety in personality, for intimacy and particularity. So it is these qualities in community that the soul seeks out, and not like mindedness and uniformity.

Longing to Belong

One of comedian Groucho Marx's more memorable catch-phrases was that he would never wish to be part of a group that would have him as a member. And yet, he was the core of the Marx Brothers, a famous comedic group of the 1930s and 40s. We all want to belong and it is through this desire to belong that community occurs. Our opportunity lies in consciously creating a community through our active individual gifts.
