For those wanting to pay by credit card, please call 586-723-8093 for an authorization form. For cash payments, visit the Township Supervisor's Office, 40700 Romeo Plank Road, Clinton Township, MI 48038.

I would like to purchase a brick paver with the script included on this form. I understand the paver will be placed for optimal layout design at the time of the installation and, therefore, a specific position cannot be chosen or guaranteed. Inscription will be centered on the brick surface, both horizontally and vertically, unless otherwise specified.

Please double-check spelling. I have proofed the wording on the second corresponding page and agree to its accuracy and readiness for engraving. If an error is discovered after installation and was the fault of the purchaser, he/she will pay the additional cost to correct the error. If it's discovered the engraver was in error, there will be no charge to the individual to install a corrected memorial brick. The engraver will absorb the additional charge.

By signing, I signify that I have read and understood the above statement.
