PRIOR TO EACH SUNDAY

- Classroom space is limited in order to social distance appropriately. For this reason pre-registration for childcare on Sunday is suggested by Friday of each week.
- If there is adequate classroom space available, day-of check-in will be utilized for those who do not register.
- If classrooms are filled to capacity, children are welcome to attend class or worship service with their parents.

RAISING RESILIENT DISCIPLES

Dear Parents,

You are the greatest influence in the life of your child. Research proves time and again your voice is the loudest in their life which allows you to make the greatest SPIRITUAL impact in the life of your child. The enemy knows this, and as co laborers in the kingdom, we want to equip, encourage, and partner with you to raise a generation of resilient disciples!

For that reason, we started the "not consumed" video parenting series! Each Monday, check your inbox for a short virtual parenting nugget you can tune into around YOUR schedule. This week we are talking about

"THE COMPARISON GAME..."

1ST - 5TH GRADE!

Our family devotional this month is all about (gr)Attitude. God is great enough to create and spin every planet on its orbit, but is personal enough to know the deepest doubts, fear, or joys that you keep in the quietest crevasses of your heart. So, trust Him and be thankful that God loves you with a great love worthy of a great God.

Download this week's at home devotion, coloring pages, spotify playlist, and social media graphics on the **lnbckids.com** homepage.
