 It's a good thing all those books on my shelf weren't made with human feelings  
 D E  
 I've neglected them like I have you, but  
 A D E A  
 They don't seem to mind, if I can't find the time

 They just collect more dust along their spines, but

## CHORUS

Bm E A D

 Bm E A

 We'll pull back the covers, and continue to be lovers, and  
 Bm E A  
 Mabey someday they'll write a book about our love

Our love is precious and hard to find  
Bm E D—E  
Our love will stand the test of time, (PAUSE) 'cause I'm....

**CHORUS**

Bm E A D  
I'm gonna read you every night, I'm gonna look into your eyes  
E A  
Tell you that I just can't get enough, and  
Bm E A D  
We'll pull back the covers, and continue to be lovers, and  
Bm E A  
Mabey someday they'll write a book about our love
