

LAYAWAY
Payment Plans for your Stay
No Credit Check! No Interest!
SALT CAY

Layaway on Salt Cay is Salty Vacation's own payment plan, modelled after classic layaway plans. It's a great way for our customers to pay for their stay at our townhome in installments. Each payment plan is custom built and based on the customer's reservation dates. This plan is at zero interest and there is no credit check required!

Give us a call at 361-31-PADRE to discuss your booking and setup the payment plan. We will take the total cost of your stay on Salt Cay and divide it into equal monthly installments for up to six months in advance of the reservation date. When you call, we'll ask you to make your first installment via credit card, which secures the reservation. After that, each month we'll email an invoice on an agreed day of the month for up to six months, until the cost to rent the townhome is paid. It's easy and convenient - you'll be able to pay electronically directly from our invoice each month. When you complete your payment plan, your lodging will be paid and the biggest part of your vacation expense will be all taken care of!

Is understood that all installments must be paid before the reservation date. If any payments fail, you will be notified via email and given 72 hours to make good on the installment. After 72 hours of not curing a failed payment or 72 hours of missing a payment by the due date, the reservation will be cancelled, and a cancellation fee will be applied (equal to one quarter of the paid funds to date). If a payment plan is not completed, monies processed will be returned within 30 days via check, less the applicable cancellation fee.
