

Fireside Fellowship:

The Fate of the Ungodly:

1. What makes contending for the faith so difficult, even agonizing, these days?
2. Disciples of Christ are told to contend for the faith. What is the "faith" that Jude is talking about?
3. Although it seems incredible that people who do not follow the truth can slip into a church and lead others astray, how does this happen in churches today? With what message do they use?
4. A decision to ignore the truth of God and choose our own truth always leads to immorality, ruin, and ultimately, if left unrepented of, to eternal separation from God. Do you agree with this statement? Why or why not?
5. The consequences of compromising or rebelling against the truth are eternal. How can we ensure that we are not being deceived into falsehood, but are following the truth of the Word of God?
