It didn't have the impact on me that *Destined to Reign: The Secret to Effortless Success, Wholeness, and Victorious Living* did--I guess the novelty is starting to wear off here--but still a solid, helpful, well-written book. For me personally, this book is not for me But for someone who already walks with the Lord and reads the bible daily, etc this may not be for them Other than The Bible, this is the best book I have ever read. I am a bit again Christian but I always had questions about if I was truly saved, am I doing enough to be in God's good graces. This book answered all of my questions! Now, I am living boldly, without fear and without doubt. I highly recommend this book! Dec 04, Jewell Moreno rated it it was amazing. I actually really loved this book. I kind of felt at times like I was reading a sequel and then found out he had written a book before this one. I now have that one to read.

He really knows how to open up scripture like I haven't seen in years. He is the real deal. So worth reading and following this minister or grace. Read it more than once Oct 05, Matthew rated it it was amazing. Jesus is the revelation of God, and through grace christ is revealed. I absolutely love this book, well written and precise.

Thank you Joseph prince for dedicating your time into revealing hidden truth to believers. Now I know undoubtedly that God isn't angry with me, my sins are forgiven. This is the second book I read by Joseph Prince. The book is extensive, and dwells mostly on grace. Seems more like a defence by Joseph Prince against critics, and replying to questions raised on him and his ministry and theology. Excelente libro Es un libro que se lee de forma amena y fluida, con grandes encenanzas y fabulosas, anecdotas de las personas que contribuyen con sus vivencias. En fin, infaltable en la biblioteca de todo cristiano. Apr 27, Anne rated it it was amazing.

This is a great read. The book is all about the power of grace. It helped me to see that everyday the blessings of my life are stepping stones to the grace that he had for me. It opened my eyes to see that I am better than what I think and that God has great plans for me in this life. Oct 25, Peman Lal is currently reading it. God bless you. May 04, Rebecca Rivera rated it it was amazing Shelves: inspirational , library-books. Great for renewing your mind and changing how you live.

Feb 13, Sharice Rascoe added it. A game changer, very eye opening in revealing what the grace of God truly is to Christians. Loved it. Pastor Prince is truly anointed. Explained so many things to me from the Bible that greatly broadened my faith. May 12, Naomi rated it liked it. An important message Spanish eBook. Add To Cart 0. Paperback Spanish Book. The Grace Revolution Study Guide published in is a companion to Grace Revolution to help you really get what the book is saying. My friend and I got a hold of the guide early in and went through the book and study guide together; we really enjoyed it! The study guide parallels the book in that it has the same amount of chapters; each chapter of the guide begins with a paragraph from the book that sums up the material.

Below that, questions are written in bold and relate to what you read in the book. There can be anywhere from ten to twenty-two questions for each chapter. Underneath the question, a blank space is given to write in your answer. What kind of questions are asked? They can range from finding a specific answer that is given in the book and repeating it, to looking at a testimony or principle and writing what it means to you, or even asking you to write out what your experience with a certain teaching has been.

Well, at the back of the book page is an answer key. No cheating! My friend and I completed one chapter a week yep, it took twenty weeks! It was a lot slower approach than what I take with most books, but I felt that the pace helped me absorb the truths and really learn from it before going on to the next chapter.
