

Welcome back dancers... we missed you!

We are excited to welcome you back to the studio! The health and well being of our dance family is of the utmost importance to us. Please review the things we are doing to keep our dancers and staff safe during COVID-19.

All dancers and staff are required to complete and pass the online COVID-19 self-assessment prior to arriving at the studio.

Stay home when you are sick. Dancers will be sent home if they show symptoms upon arrival or during dance class.

Masks are mandatory at all times. They may be removed briefly during intense physical activity.

Each dancer will be allotted their own space to allow for physical distancing.

To allow for physical distancing, each class will have a maximum of 9 people including staff.

The studio is closed for 15 minutes between every class to allow for increased cleaning.

The waiting room is closed. Only dancers and staff are allowed in the studio for their class time.

Dancers will be dropped off and picked up at the outside door. Please wait in your car until the start of class.

In the event of a studio closure, classes will move to a virtual platform and regular fees will apply.
