Italian American Club of Mahopac

July 2016

President's Message

Dear Members, Family and Friends,

I hope you are all enjoying a beautiful & warm summer. Continuing our efforts started in 2015, we have completed many improvements and updates to the club's infrastructure from brand new restrooms, new front to the building and beautiful landscaping.

Our website continues to make improvements as well. We recently added a "Members Corner" containing lots of up-to-date information about the club and its members. It also contains an area where members can submit comments and suggestions (anonymously if they wish) that would benefit the club. The page is private and accessible only to IAC members with a valid ID and password. We are in the process of distributing the credentials and we encourage all our members to visit this page often.

Our multi-year plan to revitalize our club continues. I appreciate all the wonderful volunteers. GRAZIE MILLE!!!

Since the beginning of 2016, we have also added 15 new members. We look forward to integrating these members in all our activities and events. *LET'S KEEP IT UP!*

Buona Estate!
