

Newspaper Challenge

Each patrol will be given some newspaper and tape. You will then be given five tasks in which you will have to make various things out of the newspaper.

Tasks

Make the:

- most realistic / best looking animal.
- tallest stand-alone tower.
- longest stand-alone bridge (also judged on strength – how many bean bags can it hold?)
- longest & highest ramp – a ball will be tested on the ramp. **Bonus five points for every working loop-the-loop!!** Chairs, walls, etc. can be used.
- best paper costume.

For each task you will be given 15 minutes.

Each completed task will be ranked, with the winning patrol receiving **10 points**, the second patrol receiving nine points, etc.

There are also two extra activities, **each worth five points** for the winning patrol(s).

1. Find the longest word in the newspaper.
2. Make the funniest sentence out of words from the newspaper, cut out and stuck onto a black piece of paper.

These will be judged at the end of the meeting.

This meeting will go towards the completion of your creative challenge badge.
