CONDITIONS OF PERMIT

Whereas _____ hereinafter termed "PETITIONER," requests permission and authorization to put in or repair a Culvert or Driveway in, upon, or along, Village Highway/Street, subject to the following conditions and restrictions:

1. The petitioner shall furnish all materials, do all work, pay all costs, and shall restore said highway to conditions similar, or equal to that existing before the commencement of described work. For new access permits, work permitted shall be completed before the construction of any structures.
2. The proposed improvement shall be located and constructed to the satisfaction of the Village Engineer, and shall conform to the materials and installation standards herein attached. The improvement shall be completed within 30 days of the issuance of this permit, and the Village Engineer shall be notified upon completion of the improvement in order to inspect the improvement.
3. If, during the installation of the culvert or driveway, the roadway is damaged the petitioner shall restore the roadway to the satisfaction of the Village Engineer and Village Public Works Committee Chairman.
4. This permit does not release petitioner from fulfilling any existing statutes relating to the construction of such improvements.
