Press Release

Congratulations to the outstanding teams of the **SMART SCHOOL PROPOSAL COMPETITIONS**. They have just completed the pitching presentations in May! The winners would be announced in the award ceremony on Saturday morning of June 18, 2022.

The World New Economy Council Limited has hosted the second year's Smart School Proposal Competition which encourages secondary school students to propose and elaborate their ideas to apply technologies, engineering, or design to enhance one of the following areas:

- Purposeful interactions and connectivity among students, between students, and their communities.
- Learning environment with more energy-efficient, sustainable, redesign and reuse.
- Innovative learning to enhance learnability.

The Council has scrutinized among the submitted Smart School Proposals for the First Round Competition and selected the following proposals for the Second Round Pitching in May.
