

## MANY ANTI-MESSIAH'S ARE AMONG US ALREADY

1John 2:18-19 *Children, it is the last hour; and just as you heard that antichrist is coming, **even now many antichrists have appeared**; from this we know that it is the last hour. They went out from us, but they were not [really] of us; for if they had been of us, they would have remained with us; but [they went out], so that it would be shown that they all are not of us.*"

Basically, the proclaimed preachers, CEO'S, pastors, of the business (religion), of christianity are anti-messiahs, deceiving the sheep. They are goats, leading the flock astray to their own destruction (Matt. 25:31-33). The people are simply too lazy to read the Good Book for themselves, so they find pastors, wolves who come in shepherds clothing, to control the sheep and keep them lethargic. What many don't realize is that these antichrists are calling themselves Believers in the God of the bible. Beware of such mockery, such prostitution of the Word. Again it all boils down to whether or not they are following the Messiah of the Torah or some heathen Greek messiah who doesn't follow Torah.

It's safe to say that all national leaders and people in government serve as anti-christs. Politics, government, is all about control of the people now, which in simple english is "witchcraft", whether they understand it or not. Years ago the King worked for and served the people, now we have no such thing, even though the facade appears as such. These people make allegiance to their government, therefore even if they claim to be bible believing, put God in second place by doing so. The moment one pledges to the government, state, province, or what have you, you have pledged that as a priority, even if most of them do it just to obtain favor. A true Believer or follower of the God of the bible will make no pledge, no allegiance to anything other than the Creator. It is a complete and utter contradiction. You cannot serve two masters.
