### **PURCHASE PRICE**

As of January 1, 2022, the Purchase Price of a Premier Poodle Puppy is \$4,500 regardless of gender, coat color, size, or kennel registration. Premier Poodle reserves the right to change puppy price at any time in the future without notice. The price changes will be featured on the website.

### **DEPOSIT**

A \$500 deposit will be required with this agreement to guarantee the reservation of the selected puppy by the Seller until the specified Delivery Date.

Deposit amount will be deducted from total purchase price of puppy. Remaining balance will be paid in cash prior to shipping or at the time of pick-up by Buyer. This purchase price does NOT include any delivery charges which are calculated separately on an as needed basis.

There are no refunds on Deposits, unless otherwise agreed here in writing. Failure of the Buyer to complete this purchase would subject Seller to lost opportunities to sell the puppy to some other Buyer and retention of the Deposit is meant to compensate Seller for his possible loss. This deposit signifies the intent on the part of the Buyer to follow through with the Purchase of this puppy. Deposit may be moved to a future litter at the request of the Buyer.

The Seller reserves the right to void this transaction and refund the Deposit if we learn of any reason why Buyer might not be suitable for the puppy (i.e. Buyer is found to be an animal abuser, violent person, representative of a Pet Store, representative of a pharmaceutical research laboratory etc.).

In the rare case that the transaction is voided by the Seller or an unforeseen accident were to happen to the puppy before it reaches its new home, the deposit amount will be returned to the Buyer. The Buyer may choose to apply said deposit towards another available puppy or future litter if they wish to do so.

Seller will provide Buyer with a puppy that is clean; in good general health and that has no known physical defects. De-wormings and first immunizations will have been completed and detailed in writing. It is generally recognized that intestinal parasites (worms, etc.) are common in puppies, and are a part of a puppy's early development but we will make every effort to prevent parasites. Often, however, the stress of change and travel can cause intestinal parasites to emerge. Buyer agrees to continue parasite testing and treatment (if necessary) with their veterinarian.

The Buyer agrees to provide the puppy with the proper standard of care by maintaining a vaccination schedule and checkups provided by chosen veterinarian, continue regular socialization and enrichment practices for proper development and provide premium quality pet food for a healthy puppy. Failure to have the puppy examined by a vet within 3 days of the date the puppy is delivered to Buyer or if Buyer fails to provide required immunizations, treatment or de-wormings, will mean that this health guarantee will be void.

Buyer agrees to keep their puppy at home and away from other dogs, public places, parks and will use care in allowing others from outside their home to pet or touch the puppy until all immunizations are completed. This is to protect the puppy from exposure to parvovirus and other infectious illnesses.
