HOW TO REGISTER

IMPORTANT REMINDER: It is important to remember that this retreat differs from our summer Teen Camp in that each student is under the supervision of the leaders from the respective church they attend with. *A one leader per eight students ratio is required from each youth group.* The Northwest District does not accept individual registrations for this retreat. Each student must submit their registration to their respective Youth Leader or Pastor, who in turn, fills out a group registration for their attending ministry.

REGISTRATION:

- Each attendee must complete *The Next Level Registration Form* and submit it to their respective Youth Ministry Leader along with their NON-REFUNDABLE \$80 deposit. *(Each Youth Leader must retain their student's individual registrations and bring them to The Next Level youth retreat. Please do not send them in to the district director.)*
- Each Youth Ministry Leader must complete the *group registration form* and mail it with *one check for the amount of \$80 per person* payable to "NWD Youth Ministries" **postmarked by Monday, October 21st** to:
