International Meeting of Experts in Bradford, United Kingdom January 2017

24th of January 2017 second International Meeting of Experts from Poland, Slovakia and United Kingdom took place. We discussed the differences beetwen Slovakian, Polish and British Educational system. After the meeting we visited one of the biggest local colleges Grange Technology College, met teachers, students, visited the school premisses. In the evening we invited our guests to try the British cousine. That was a really great day!
