As per M.S.L.A. Rules and Regulations, I understand that:

#28 states "A moveable deck is permitted on the campsite if a building permit has been filed with the Township of Stillwater and is no longer than the length of the approved recreation vehicle and no more than two hundred eighty (280) square feet."

#29 states "A metal storage shed is permitted if a building permit has been filed with the Township of Stillwater and is no longer than (10 x 10) ten by ten feet."

#30 states "Portable manufactured screened enclosures are permitted but its roof must be canvas or like material and removable in nature."

#31 states "Permits and site plans are required to be submitted for township and board approval before installation can begin."

No Park models are permitted in M.S.L.A. per the Township of Stillwater.

The Township of Stillwater requires all new trailers to be Ansi 119.2 compliant. The unit **MUST** bear the Ansi 119.2 emblem to be in compliance.
