Withdrawal Policy

JumpStart Junior Kindergarten is a 10-month program from September-June. We request a commitment from parents for the entire 10-month term as our program works just like the public-school system and not like a daycare or playschool where kids are just cycled in and out year round, but we do understand that some circumstances may require you to withdraw early.

If you wish to withdraw from the program, at least one FULL month's notice using the Withdrawal Request Form prior to the 1st of the month you wish to leave must be given before January 15th of that school year. *see special note below

Withdrawal Policy Special Note

Please make special note: if withdrawal requests received on or after January 15th, you automatically forfeit your Tuition Deposit whether or not the required notice is given

Fees @ All locations are Tax Deductable!
