## CLUBHOUSE UPDATE

with Paterson GC Committee

December was a massive month across the club which has boosted the bank balance after a disruptive year operationally. From the Paterson Open, held on Sunday 11th December, followed by the Hunter River District Golf Association hosting their Interdistrict matches against Newcastle on Sunday 18th December the club has recouped some critical revenue as we move into 2023. Strong playing fields across both our weekly Saturday & Tuesday competitions, in addition to social play, has contributed to ensuring our cashflow can support course maintenance.

Thank you to Denis Crossman who submitted a grant application to fund the installation of concrete cart paths throughout the property. In doing so we now have a framework to build off for future funding opportunities.

To close out 2022 we'd like to acknowledge a few members who've put in a massive shift throughout the year. Wayne Stedman & James Cowled have continued to lead the club in an upward direction. Brian Mowle, David Singles, Paul Monaghan & the Friday Crew for their work across the course & workshop. Also to Stephen Watson for managing golf registrations, distributing prizes & ensuring the urn is boiled & ready for players arrival at the clubhouse every Saturday morning. Thanks to all who have contributed positively to the club throughout the year, your work is greatly appreciated & Paterson Golf Club is looking forward to another big year in 2023!

## UNDER PAR COUNT

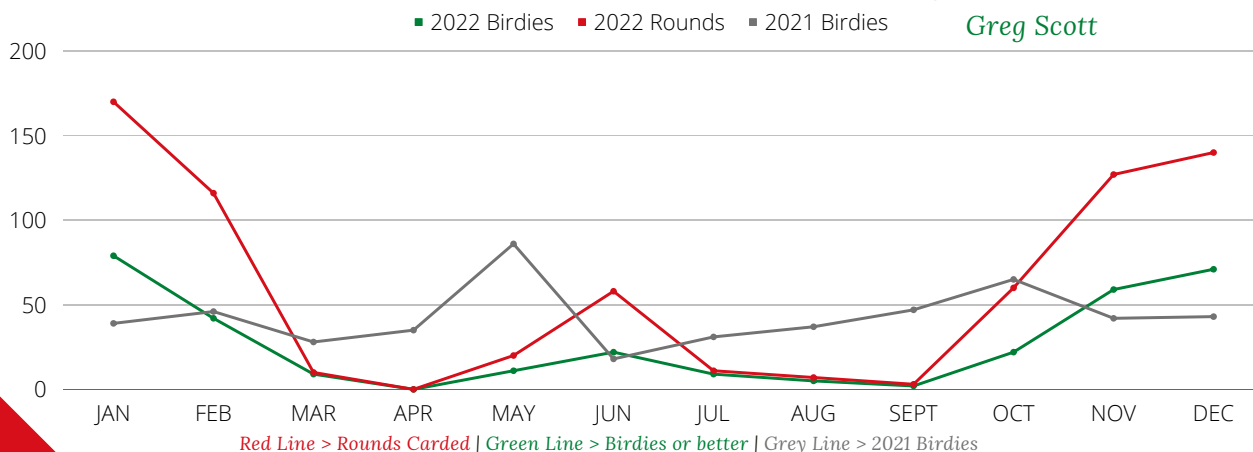

Throughout the December Saturday Competitions, **140 rounds** were lodged, with players scoring a total of **71 birdies** or better. **Greg Scott (6)** rolled in **6 birdies** to lead the count for a second consecutive month. The 15th hole again accepted the most birdies with a total of 19 throughout the month with the next best being the 10th with a count of 8. The 12th & 13th were the only holes where birdies weren't able to be converted.

**3rd Dec** | 8 birdies  
**10th Dec** | 13 birdies  
**17th Dec** | 26 birdies & 1 ace  
**24th Dec** | 16 birdies  
**31st Dec** | 7 birdies

**Eagles Nest** | Peter Nicholson claimed 4 balls after his hole-in-one on the 14th (17-Dec). 2 balls sit in the nest.

Honours for the day did go to Jim Coward who not only was the Club Championship Gross Winner, but also the 2022 Monthly Medal playoff winner.

Stuart Heathwood was the Nett winner with a combined round of 130, Stuart also won the Eddie Lumsden Memorial Trophy. Congratulations Stuart, Eddie obviously would have had a hand in guiding your ball today.

Tuesday 13th December also played host to the Vets Annual Christmas party in conjunction with the AGM. The new Veterans Executive was elected which includes:

**President** | Fred Cox, **Captain** | Mick Dobosz, **Vice Captain** | Gary Brown, **Captain's Assistant** | Stuart Heathwood & **Secretary/Treasurer** | Denis Crossman

A special thanks is expressed for the past assistance of passing President Rob Jackson and Captain Jim Coward, both of whom are retiring to the ranks.

Paterson Veteran Golf Club has finally been able to sustain some consistent golfing competition as we near the end of 2022. Over the past two months, regular weekly competitions have recommenced following the unseasonal wet weather experienced by all Paterson Golfers since early this year. During this renewed playing period the Paterson Veteran Golf Club has been supported by fields more than 20 playing members each and every Tuesday.

The Paterson Veterans Golf Club would like to commend Brian Mowle, Dave Singles, and Paul Monaghan in particular for their continuing attention towards the maintenance of the course. We all realise that without the input of these gentlemen we would not be able to enjoy, or appreciate our game as often as we do.

# HALF YEARLY STATS | SATURDAY & OPEN COMPETITIONS

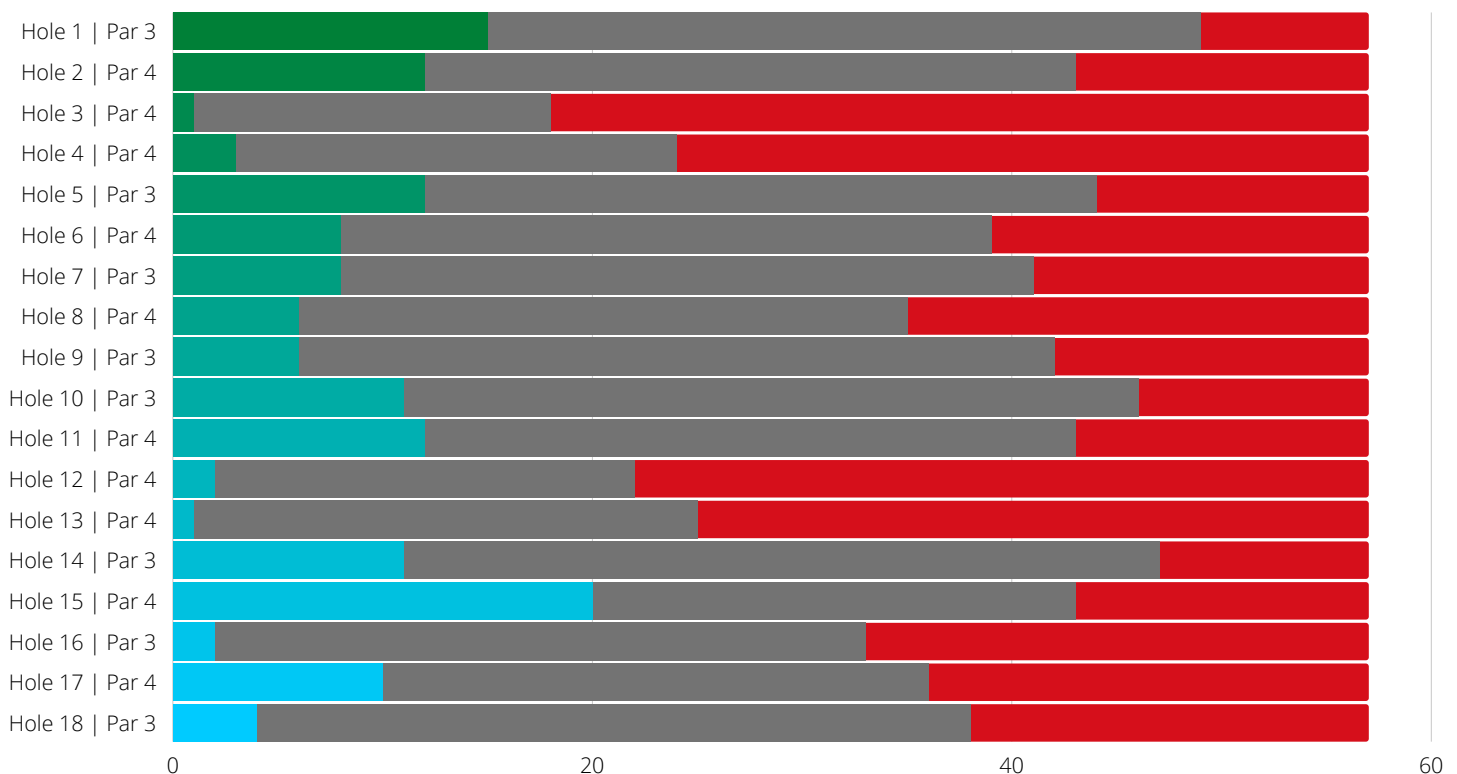

The second half-yearly Eclectic Competition which runs in conjunction with the weekly Saturday or Open Competitions whereby a ball from the ball competition is put aside each week to be held in a prize pool & distributed to the divisional winners & runners up (see below). The Eclectic Competition records the best score the player has carded for each individual hole throughout the period & subsequently provides the combined lowest total. Within the calculations an adjusted handicap is included which works out to be 50% of the players lowest daily handicap throughout the period.

Below is a graphical analysis of the best scores lodged by each player throughout this period with birdies or better (green/blue), pars (grey) & bogeys or worse (red).

The 15th proved to be the most favourable scoring hole amongst players offering up 20 birdies or better (including an eagle).

The 1st was second best with a total of 15 birdies. The 9th & 14th shared 36 pars each. The 3rd/12th proved the toughest challenge again, taking a combined 74 bogeys or worse & the least birdies (3). Visit our [website](#) to see how your scores fared.
