Backstitch in one strand

Roses , and flower branches in 838

All other in 310

Lettering backstitch in two strands of 535

Also, the French knot at the corner of the quotation box.

Calico cat

Details of the door
1\2 cross stitch

Do all the cross stitch first, then with a sharp needle do the backstitch outlines.

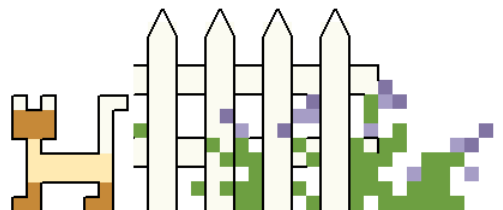

For the roses, do the cross stitch, then add a little french knot in the middle in DMC 3687

The cluster flowers are done in red beads, your colour choice. Or can be done in French knots.

The sky , and grass in front of the house is done in 1\2 cross stitch.

Stitch + , and Q

You could change the colour of the roof, and walls to a variegated thread for a special effect.

I have added a smaller version of the chart 148 x 96 stitches
