

Out of Hours Club Rutland

DECEMBER 2021

Dear All,

We started this year off with Google meetings but have been very lucky that the government rules changed, and we were able to go to the Wisteria for meals.

As other places opened up, everyone has had the opportunity to go to the cinema, bowling, theatre, trampolining and have a picnic at Rutland Water.

We also finally had the honour of watching Jacqui receive her BEM medal. Congratulations from us all Jacqui.

As you know rules are changing with covid, so hopefully our activities can continue and grow in the new year, but we have to protect our members and leaders and may need to cancel the sessions with very little notice. We will keep you updated.

Thank you to our leaders for all that you do and to the staff at the Wisteria, who have been fantastic.

Merry Christmas and a Happy New Year to you all.

Karen Gray,

Chair

Although we have had funding, grants and donations we are a charity and are constantly looking at various means of getting funds to pay for

- personal assistants
- an activity
- transport

If you can help us in any way or for more information about providing grants, donations or funds please do contact us via ohcrutland@gmail.com
