

- 1 Jack has installed a new computer software.
- 2 The professor is going to show the students an old bone.
- 3 They develop an environmentally friendly type of washing powder.
- 4 The lady gave me the keys.
- 5 People said that the President is ill.

### Corrigé

1/ A new computer software has been installed by Jack

2/ An old bone is going to be shown to the students (by the professor)

3/ An environmentally friendly type of washing powder is developed. ICI PAS DE COMPLEMENT D'AGENT POSSIBLE

4/ I was given the keys (by the lady) [techniquement correct mais pas idiomatique : the keys were given to me by the lady]

5/ The President was said to be ill. / It was said the President is ill.
