

**CREATIVITY &
INNOVATION**

it's in our
GENES

what does **think** do?

1. Consultancy **2. Workshops**

3. Events **4. Training**

We are passionate about helping organisations to thrive and prepare for the future – whatever it may look like by unlocking creative thinking with process and pace

Our team

is diverse, creative, successful

Everyone who works in the think team is world class and obsessed with applying creativity for commercial ends to drive business innovation for our clients.

The team includes:

- Successful entrepreneurs,
- Creativity gurus (we've written a book on the subject)
- Innovation and organisational behaviour experts
- Branding and communication wizards
- Strategy academics
- World class consultants

who do we work with?

think works with some of the best organisations in the world

We work with companies and organisations who need an external catalyst for change.

“**think** have a key skill enabling teams to develop fresh ideas.... You have transformed our business” ~*Director, ARUP*

“ I didn’t think we could create so many **genuinely excellent** ideas in just one morning...” ~*Director, Muller*

“They had a spark that created **something different**... The exercise... opened doors...”
~*Development Controller, PZ Cussons*
