## PRESIDENT'S REPORT

Hi folks,

Well this last two months we have seen various members of our club fall victim to various illnesses and medical problems as well as personal problems. We all join together to wish them all speedy recoveries and a better run in the future.

I myself have had a long run with a bug that has proved to be a major drama to beat, though the worst is over I hope. Some of our Members went down to Maryborough to give the Eureka Country Music club a bit of support and had a great day. They are a traditional type group and seem to have a

healthy support group and I will definitely go down again.

Many of our juniors are having a busy year with trips to Tamworth and Gympie as well as other festivals (Homebush this weekend) and are doing well. Congratulations to all concerned and keep up the good work.

We have had a lot of people coming to our practices and playouts from out of town and interstate, travellers who have stopped over on their travels. We are happy to meet these people as they bring a fresh sound and talent and we can learn from the experience. Welcome folks and enjoy your stay.

Our playout this weekend brings back a couple of our old members to

help us out with the band as we have had Band members with other commitments and illnesses etc which has been filled. Welcome back to Wayne and Gary playing Lead and Rhythm guitar. We will have Brad on drums, Jan on Bass and perhaps Steve on keyboard.

Well that's it for now but just to remind everyone, the Annual General Meeting is to be held on Tuesday 9<sup>th</sup> August at the Community hall, please attend if you can as it is in your interest as club members to have a say in events.
