GLOBAL EXPERTISE RESEARCH

Enleash Your Capabilities for Success

GEI

Capability Matrix or the CUED Matrix

Recognition by:

- Global Youth Economic Opportunities Summit (GYES) in Washington, DC (2017)
- International Network on Social Sustainability (2017)

1. Apply first a SWOT Analysis to your project or plan or any action you want to undertake;
2. Now apply the Global Expertise International (GEI) CUED Matrix to the same project or plan or action
3. What difference do you see? How does the CUED analysis help you see more possibilities to achieve your successfully plan.
4. The CUED Analysis should help understand and assess better your capabilities and how to work with them to achieve your project, plan or action.

CUED Analysis gives you the wings you need to fly !
