***\$1 Day Giving Campaign***

*Dear brothers and sisters,*

*We began 2020 with the excitement of new beginnings and no one was prepared for a worldwide pandemic that would change our lives. We are truly blessed to have weathered the storm with new ministries, increased attendance, a new pastor, and a vision for 2021. To God be the Glory!*

*While we feel blessed to offer a praise report, but we need your help to sustain the momentum we are experiencing.*

*With your support, we can continue to expand our territory and have impact locally and farther away places. Would you please consider contributing **\$1 per day (\$15 bi-monthly or \$30 monthly)** to help us work toward our mission? Together, we can reach our community goals.*

*Turning Point Church thanks you in advance for your support. Your contribution will go a long way towards maintaining digital presence, financing outreach ministries, and funding building maintenance. You can give online:*
