LET US HELP

We help by taking care of basic needs such as medication management, housing, applying for food stamps, going back to school, help obtaining jobs and assistance with medical care.

We offer a team approach made up of psychiatrists, nurses, mental health professionals, employment specialists and substance use specialists who work together to provide individualized care.

Please bring you insurance or Medicaid identification cards. If you have Medicaid, you may not have to pay a fee. There will be a charge for VCSB services.

When you come for you first appointment, you will meet with a staff member of VCSB to discuss your options.

This interview will help determine your fee, whether third party billing can occur and/or if you are eligible for financial assistance. If you would like to request financial assistance, please bring proof of income.
