What is your special memory of Saint DeWitt Hill? *

Two years ago, I was sitting in the vestibule of my church. Pastor Hill came in the door, and he noticed me. He walked over and shook my hand and begin to speak to me about the work that I do in the church. I really didn't know that he paid any attention to what I did in the church because he does so many great things and is one of my heroes. He did however, and that night he told me he was so proud of me... He also said, "Keep doing what you're doing." That, and many other things, is an encounter I will never forget! Good night Saint Dewitt Hill!

On September 23 ,2019 @ 1st Ward Pantry we we're honoring Sister Hill and he was there, plus giving out groceries so when they went to church I heard he was bragging on my little \$1.00 medal , I didn't have much but I wanted to honor Sister Hill, because over 20 years ago she help paid for some cheerleader uniforms for my girls with yba, so he said this medal means more to us than thousand of dollars because this young lady did it from her heart

There are many but the most special was when our pastor officiated our 10th vows renewal. That was an honor and privilege we will always hold dear in our hearts. Our pastor was an awesome man of God. To add to this Elder was the only pastor I have been under in leadership. Thanking God for the Great Man Of All Times!

I remember his love for prayer, missions and his heart for young people, He was a man of humility. I can recall the times he would sit and pour wisdom into me as a young preacher. Most recently he and Lady Hill, hosted 30 plus of my students and their home from Texas. He was a PRaiser!!!

My heart is with the great First Trinity COGIC as you remember the timeless legacy and incredible contributions made by the beloved pastor Dewitt Hill during his life and ministry. It is with regret that I'll be in Texas during his life-celebration but I will have representatives from Pine Bluff First Assembly there to honor his memory. It might be easier to recognize what pastor Hill didn't do rather than what he did with his life, ministry, and influence. Suffice it to say that he maximized the 89 years God entrusted to him with passion, character, dignity, and respect. Our city and ministry community will miss pastor Hill but I am deeply grateful for the time I knew him and was blessed to share in ministry efforts together. Prayers and peace for the Hill and First Trinity families.

He was the most caring and most caring, understanding and intelligent person I knew. He always listened & had an answer for all things. He taught me so very much the years I attended Trinity Temple while attending college. He really impacted my life , many of the things I learned are vital to me today. He was awesome, awesome, awesome, highly respected and admired. I will never forget him and all the wonderful things he did.

When my mother Evangelist Missionary Josephine Simmons was in the hospital...Pastir Hill visited with her for about an hour...just as he was about to leave...dietary came in with her food...Mother told Pastor Hill to take that food with him...Pastor sat back down and told Mother he was not gonna leave until she ate. Mother slowly ate all her food (which she had not been eating) slowly... My heart was overjoyed with the love time and patience he showed my mother...especially with his busy schedule. I am forever grateful to Paster Hill for the love he has in his heart for others!!

I grew up in First Trinity COGIC as a young girl, with my two siblings Daniel Allen Jr and Emika Allen and my God-fearing and faithful parents Daniel Allen and Emma Jacks-Allen, who are members of First Trinity today. Elder Hill was a Godly authoritarian whose teachings lead us to love, know and dedicate our lives to Jesus and to living holy. Elder Hill inspired us all to reach higher heights spiritually, educationally and professionally. Each of us Allen children are blessed to have known that he often asked our parents about us and how we were doing. Personally, I reflect upon several instances where Elder Hill pushed me upward, toward my personal best in public speaking. During the Local and State Youth Congress and during UNAC poetry and oratorical competitions, he was there with a hug and a smile after the win. On my wedding day, April 24, 1999, Elder Hill united my husband and I in marriage at Trinity. That was 20 years ago, almost to the very day. We will miss you, Elder Hill. Thank you for all that you gave to us, poured in to us, that yet sustains us today. Rest forever in paradise, thy good and faithful servant! Well done! Love, The Allen Family.

I learned so much about the love of God while attending VBS as I grew up. Elder Hill was my image of a father, and I was able to tell him so when he visited me in Lexington, KY. I am comforted knowing his prayers are still being answered by a loving God. His reward is well earned.

The world has lost a true hero for christ. I received my childhood training under his leadership.I will always remember how he taught ys to put all of our trust in Christ. He was a faithful leader who believed in prayer for all things.I will always remember his tent revivals and how he went throughout the world preaching the gospel of our Lord Jesus. Rest in peace saint Dewitt Hill!!! We love you

OMG!!! I have soo many!!! but I recall when I was a young girl growing up in Trinity; Eld. Hill use to always get on me about walking so much. I LOVED going to church more than any place. I lived around the corner from him so therefore I use to walk up to the house many days and evenings to ride to church with him. I recall running through the church late at night when everyone else had left and it would be he and I left. He would have me going all over the church turning off lights!! Now that was very scary for me because I would be thinking of all the funerals and demons that I saw cast out in the church. One night it was raining, thundering and lightening and I had to go on my duty turning off the lights. I was checking and roaming around in that HUGE church checking the lights and all of a sudden... there was a Big "BOOM"! and I took off running towards his office and I was hollering and crying; he came running out to see what was wrong with me and I told him. He first hugged me and calmed me down and told me to sit in Sis. Minnie Brooks chair outside his office until he finished in his office.

But, while we were driving home he looked at me and started laughing and said, Sherman, I did not know you could run so fast but see, if you get saved and stop all that walking during church, you will not be scared of things like"!

But, I have a lot of wonderful memories of my time with him; I will Cherish them FOREVER!!!! I Love You My Spiritual Father, Saint DeWitt Hill
