June 2018 News Flash

FRHC Board of Directors continue to seek resources from the City, County, and State!
In the meantime, donations (designated for grass cutting) are also needed.

With your help we hope to raise \$8,900.

A local company is ready to cut the grass before it gets any higher.

Please follow the example of our first grass donor, Kylene Sharpe, from Nashville.

When she heard about the grass problem, she mailed in a donation of \$1000.

Small or large - every donation is appreciated.

Donate online at www.Riverviewcem.com or mail to P.O. Box 2173 Wilmington, DE 19899

The grass cutting partnership established by Senator Margaret Rose Henry in 2009 was a success until the 2017-2018 fiscal year when FHRC learned that the offenders next door would no longer cut the grass due to officer shortage.
