

## Memory Stones for the Sidewalk

HALos is so excited to be purchasing the former Great American building in Afton. As we begin renovations, we would like to also replace the sidewalk along the side of the building. We felt this was a wonderful opportunity to create a "Memory Walk" where we can honor loved ones. The HALos board would like to offer everyone the opportunity to purchase bluestone pavers that can be personalized and used to create this new walkway.

The bluestone pavers will be 8" X 8" and one and a half inches thick. They could be personalized with names and dates similar to the ones below. The cost per stone will be \$150. As we sell enough to replace a section of the sidewalk, we will install them. Our hope is to have the first installations take place in the spring.

Please fill out the information below with a check made out to HALos and send them to:
