**1st/2nd:** This week will be a 4-day week, but we will still be packing our days. First grade will begin a new science unit this week. They will also be working on "oa" and "ow" diphthongs. Second grade will finish their science unit with a test on Thursday. They will also be working with homophones this week. Both classes will continue working on counting money, telling time, and practicing our fact families. Spelling tests will be on Thursday this week. Be sure to practice each day. We are half way through the quarter and several students still need to take AR tests. - **Mrs. Hird**

**3rd/4th:** Since this week is a short week, things in our room will be a little different. Our class will be MAP testing over math Monday, Tuesday, and Wednesday. Our test times are early in the morning, so please make sure that your child has gotten plenty of sleep and has a good breakfast. Our spelling test will be on Thursday. Both classes will be given a science study guide over chapter 15 to complete and review for a test next week. We will have our Easter party at 2:40 pm on Thursday. - **Mrs. Cooper**

**5th/6th:** Students will be taking the Math MAP test this week. Please, make sure students eat a good breakfast and get plenty of sleep so they can do their best on the test! In Writing, 5<sup>th</sup> and 6<sup>th</sup> graders will be finishing their Limerick and Sonnet poems. In Science, 5<sup>th</sup> grade will look at the planets and begin coloring their solar system models. 6<sup>th</sup> grade will read about symbiosis and food chains. In English, students will begin a unit on context clues. In Reading, both grades will present roles over Ch. 54-62 in "Wonder" on Wed. In Social Studies, students will finish gathering information for their Famous Person in History projects. **7/8 Comm. Arts:** Students will present their "Recorded Book Talk Presentations" on Wed. and Thursday. Have a great week and Happy Easter! -**Mrs. Foster**  
\*\*\*\*\*

**5/6 Math:** With MAP math testing this week, it will be an otherwise light week on bookwork, and there will be no additional tests other than MAP. I want the students to put as much energy and concentration on the MAP tests as needed.

**7th/8th:** In math, the above will be true for seventh and eighth as well. In social studies, seventh grade will continue discussing the industrial revolutions around the world. Eighth grade will continue learning about westward expansion. We will be finishing our respective chapters in health this week. In grammar, we will be starting a unit on clauses. This will include learning about subordinate conjunctions and dependent and independent clauses.

**Tests This Week: 7th/8th Health: Tuesday, 7th/8th Social Studies: Wednesday -Mr. Ewing**

**APRIL CHARACTER ED: SELF DISCIPLINE** - the ability to control one's feelings and overcome one's weaknesses; the ability to pursue what one thinks is right despite temptations to abandon it.

**Shorts may be worn next week.**

**MUSIC:** Continue to practice! The program is getting close! The student performance will begin at 7 pm, students need to be here at 6:45pm. **-Miss Stacie**
