Albatross

The all new Albatross commands respect and it's authoritative presence raises the standard for Mobility Scooters in Australia. Designed and developed from the ground up, for dynamic performance under all conditions. The Albatross delivers remarkable standard features like multi tilt steering adjustment for ergonomic positioning of the tiller, classy alloy wheels, LED lighting for maximum brightness. Two side mirrors & centre review mirror, sturdy canopy roof, protective full windscreen and a huge lockable rear box included as standard. A light weight lithium battery combined with a powerful 1300W motor and world class electronic adaptive cornering control you'll be the envy of all your friends whether you are on the Golf Course or simply cruising the streets - with a massive 70km range.
